**J. K. ROWLING**

THERE IS A DOOR at the end of a silent corridor. And it's banging. Harry Potter dreams. Why else would he be waking in the middle of the night, screaming in terror?

Here are just a few things on Harry's mind:  
 ★ A Defense Against the Dark Arts teacher with a personality like poisoned honey  
 ★ A screaming, unquenchable thirst for Quidditch  
 ★ A Quidditch team  
 ★ The looming terror of the end-of-term Ordinary Wizarding Level exams

... and, of course, the growing threat of He-Who-Must-Not-Be-Named. In the richest installment yet of J. K. Rowling's seven-part story, Harry Potter is faced with the instability of the very government of the magical world and the importance of the authorities at Hogwarts. Despite this (or perhaps because of it), he looks deep and strong in his friends, beyond what even he knows: boundaries, loyalty, and unbreakable courage.

Though thick, this is the plot (as well as the quiet) readers will race through these pages and love. Hogwarts, like Harry, wishes only for the next train back.
