THE HUNGER GAMES
In a not-too-distant future, North America has collapsed, weakened by drought, fire, famine, and war, to be replaced by Panem, a country divided into the Capitol and 12 districts. Each year two young representatives from each district are selected by lottery to participate in The Hunger Games. Part entertainment, part brutal intimidation of the subjugated districts, the televised games are broadcast throughout Panem. As the 24 participants are forced to eliminate their competitors, literally, with all citizens required to watch. When 16-year-old Katniss' young sister, Prim, is selected as the mining district's female representative, Katniss volunteers to take her place. She and her male counterpart, Peeta, will be pitted against bigger, stronger representatives who have trained for this their whole lives.

THE HUNGER GAMES
"[The Hunger Games] is a violent, jarring speed-rap of a novel that generates nearly constant suspense. . . . I couldn't stop reading."
— Stephen King, Entertainment Weekly
"I was so obsessed with this book I had to take it with me out to dinner and hide it under the edge of the table so I wouldn't have to stop reading. The story kept me up for several nights in a row, because even after I was finished, I just lay in bed wide awake thinking about it. . . . The Hunger Games is amazing."
— Stephenie Meyer, author of the Twilight Saga
"Brilliantly plotted and perfectly paced. . . . Engrossing."
— John Green, New York Times Book Review
